2017 COMPETITION / REGULATIONS

All Competitions are "MEMBERS ONLY". Invites can exceptionally participate in the competition, but will not be qualified in the final results.

Each competition is played on the Par 72 and Par 64 course.

The handicap limit for the Par 72 is 18,4 for all competitions.

The Committee can decide to change the handicap conditions in function of the number of participants. The Committee reserves also the right to close the entry list when the number of competitors reaches the limit.

The Committee can decide to limit competitions to Handicap Active players only or to keep NON ACTIVE Handicap players out of the Prizes.

The Committee can decide to change the competitions formulas if playing conditions require so.

All Scorecards MUST be submitted whatever the result.

Players have to play a minimum of 4 qualifying single competitions in order to keep their Handicap ACTIVE. This season 17 qualifying competitions are scheduled. (...)

All Medal Competitions are "Qualifying – Counting" competitions.

Competitors who fail to present themselves on the starting tee on time will be penalized 2 strokes; a delay exceeding 5 minutes may involve disqualification. Sanctions will be taken against players who are not present at the start without justification.

The 1st net prize has precedence over all other prizes (gross, senior, junior etc..).

In the event of equal scores all prizes shall be decided over the last 9-6-3-12-15-1 holes respectively.

The Committee reserves the right to take any action necessary for the good running of a competition.

All disputes are subject to the arbitration of the competition committee which decision is final.
